ABOUT THE CELEBRATION

During the year 2010, Mexico celebrates both the 200th anniversary of its Independence and 100th anniversary of its Revolution. 15 September 1810 is the day of Miguel Hidalgo's call to take up arms against Spanish colonial government. The entire year has been proclaimed by Mexican President Felipe Calderón as "Año de la Patria," or "Year of the Nation. Events and other promotions of these celebrations are designed to the linking Mexico's identity and historic continuity.

For us, this is our nine annual Mexican Independence day Celebration, taking place in South Minneapolis, in the Heart of the Latino community, on Lake St, between East Lake and Portland Avenue.

In our last year's celebration we had around 35,000 people that came to celebrate with us and enjoy the delicious Latino-American food as well as purchase different types of souvenirs such as Latino-American arts, jewelry, clothing, hats, boots, and more!

The celebration offers FREE entertainment for the whole family such as inflatable games, petting zoo, art, low riders and bike riders show, sports (football, soccer, basketball, tennis, jump rope, boxing), and dancing and singing contests.
